time Thursdays 19:20-20:20

room: 1.74 (in music wing of Ash)

instructor: Dylan Hoey

ages: high school

August 2007

Welcome to Music Group 4. I hope that this introduction letter will answer any immediate questions and provide a brief outline of what we will be doing this year.

## My Goal:

To introduce more advanced students to group playing - specifically music they may not be that familiar with in the rock, pop, soul, reggae, jazz, funk genres. Initially we will be trying to re-create the recorded sounds as accurately as possible. However as the group becomes more used to playing with each other we will hopefully try to cover the material in a more original style. Depending on how much material the group is able to successfully learn, we will hopefully play a/several concert(s) over the course of the year. Depending on interest and progress, I plan to add a horn section, keyboards and possibly backup vocalists.

## Materials:

All students must have their own instruments. I will be providing amplification and a school drum set.

All other materials will be provided by myself and/or will be on the internet for downloading and printing. I encourage you to visit: <http://guitargroups.dylanhoey.com> for links to all information relating to music group 4.

## Cost:

The cost will be 10.00 euros/student/60 min. session. These will be invoiced 4 times over the year.
